Are you ready for a Will?

You are 18+ and have assets in your name.

Your finances have changed, such as buying a new home.

You have dependants or have had a child.

You have married, separated, divorced or entered a relationship.

If your answer to any of the above is YES, it's time to prepare your Will.

The Cowboys Community Foundation's partnership with EveryWill offers a simple way to have your Will prepared for free and from the comfort of home.

- Secure online process
- Easy to use
- Takes less than 10 minutes to get started
- Your choice of gift: %, \$ amount or asset

Update your existing Will

Provide your current legal representative to write or update your Will using this sample wording:

"I give to Cowboys Charity Limited (89 603 728 427)

- ☐ The remainder and residue of my Estate, or
- ☐ ____ percent of my Estate, or
- ☐ ____ percent of the residue of my Estate, or
- ☐ The sum of \$ _____, or
- ☐ The specific gift of _____.

free of all duties and testamentary expenses for its general purposes.

I declare that the receipt of the Chairman or designated Officer of Cowboys Charity Limited shall be sufficient discharge to my Executors and Trustees."

Please note: Residuary and percentage gifts hold their value over time and are the most effective. An untied gift provides flexibility for us to apply your bequest to where it is needed most at the time it is realised.

It's important to remember that everyone's circumstances are unique and there are many ways to make or update your Will. We recommend you seek independent legal and financial advice and talk with your family about your wishes.
