

COAST TO CARPENTARIA CHARITY CHALLENGE

Kicking off 9 November 2025!

When Perth digital creator Jamie Vogler set out on a solo jet ski trip from Tweed Heads to the tip of Cape York, he was drawn to the breathtaking waterways and landscape that makes North and Far North Queensland unique.

Jamie's back on the water in November on a 2,000+km, 24-26 day journey from Townsville to Normanton in a 7-metre boat, visiting some of the most remote and remarkable places in the North.

Jamie will be capturing stories, sharing moments, engaging with communities and helping raise vital funds for the Cowboys Community Foundation to support their community programs active across this beautiful region.

This is your invitation to support the Coast to Carpentaria Charity Challenge with a sponsorship or tax-deductible donation – together, we're creating opportunities and inspiring futures!
